Author Nithiya 4 years ago Thanks, I'm a noob on mobile apps and never had the opportunity to try a photo cleaner until now. Sandra S 4 years ago from Oakland, CA I'm trying to decide if I want to buy this app. I'm not sure I'm going to like how it will turn my photos up. Tammy Shedden 5 years ago I have been using noise-removal programs since the days of the Kodak Z100 camera, and have been able to use some of the best ones, but they all do take away too much of the real image. Author Nithiya 5 years ago Hi. I'm a noob in this field but I'm learning. I think I'll be able to figure out how to use this app. Elizabeth Ouzts 5 years ago from Victoria, BC, Canada Very nice writing, very informative, I'll be buying this in a bit. Author Nithiya 6 years ago Thanks. I like your feedback.
